

WHO WE ARE:

AZ TAX CREDIT FUNDS offers one site where individuals can make their Arizona State tax credit donations.

Our site is designed to make the donation process easy for tax professionals and their clients.

We offer support and tools that reduce the time associated with these donations.

Our goal is to increase the overall funding available to qualified organizations and the individuals they support. By making the process easy, we hope to encourage tax professionals to promote participation in the tax credit program to their client base.

How we help:

- Clients can make their donations on our website, AZTAXCREDITFUNDS.COM. Or we can build a custom URL specifically for your firm using your logo and contact information. You can use this custom URL link on your website and client communications.
- Donors can designate any qualified organization or recommend any state approved school receive their funds.
- 100% of the donated funds pass through to the organizations, with no fees deducted.
- We verify that the designated organizations and schools are eligible and in good standing with the D.O.R., prior to processing the donation.
- We provide your clients a receipt with all the necessary information, including the required 5-digit codes.
- We will automatically copy you on the client receipt, freeing you from having to chase down information.
- We provide email, text and phone support, answering basic tax credit questions that consume time during the busy tax season.
- We offer hard copy tax credit worksheets for you to hand out to your client base.
- There is no cost to you to build your custom URL, and no cost to your clients for using this site.
