#GIVINGTUESDAY

November 30th, 2021

In the spirit of **assisting others** on this Giving Tuesday, Arizona Tuition Connection is excited to announce that they will **match** any donation received on **Tuesday, November 30th**, with an equal scholarship to assist a low-income family at our school.

HOW IT WORKS:

1. Donors make Tax Credit Donations on Giving Tuesday, November 30th, 2021.
2. **Donors can recommend your family to receive the donation.**
3. Separately, Arizona Tuition Connection will match the donation by sending a scholarship of an equal amount to support a ***different (low-income qualified) student at our school.***
4. These donations qualify for a dollar-for-dollar tax credit off the donors AZ State taxes, (married couples can donate up to \$2,435, while singles can donate up to \$1,219).

NEXT:

1. Talk to your social contacts about making a tax credit donation and recommending your family!
2. If you need brochures, you can have standard ones sent you, have a custom donation page and custom brochures created by emailing photos to:
